Program and Table of Contents

Tuesday Morning, December 6, 1955

General Session, Civic Auditorium — **Chairman: Buford H. Grigsby**

Welcome to Omaha
Hon. John Rosenblatt, Mayor

Opening Remarks
Buford H. Grigsby, President—N.C.W.C.C. 1

Tuesday Afternoon, December 6, 1955

Section I. Botany, Physiology and Ecology — **Chairman: L. G. Holm**

The Surface Wax of Leaves
Robert H. Schieferstein and Walter E. Loomis
Iowa State College—Ames, Iowa 2

The Influence of Stage of Growth on the Control of Quackgrass with Maleic Hydrazide
Warren H. Zick and Kenneth P. Buchholtz
University of Wisconsin—Madison, Wisconsin 2

Plant Competition Studies with Field Corn and *Setaria* spp.
David W. Staniforth
Iowa State College—Ames, Iowa 3

The Distribution of Radioactive Amino Triazole in Plants
Bruce J. Rogers
Purdue University—Lafayette, Indiana 3

The Effect of 2,4-D on Tiba on an Auxin Transport Mechanism in Bean Stems
James R. Hay
Central Experimental Farm—Ottawa, Canada 4

The Translocation of Herbicides
George E. Barrier and Walter E. Loomis
Iowa State College—Ames, Iowa 5

The Inhibitory Action of a Garlic Extract on Starch Synthesis in Corn
Richard D. Hart, G. A. Gries, and B. J. Rogers
Purdue University—Lafayette, Indiana 5

Phyto-toxic Materials in Several Perennial Weeds
Earl A. Helgeson
North Dakota Agricultural College—Fargo, North Dakota 6

Preliminary Studies on the Germination of Weed Seeds
Bruce J. Rogers and Forrest W. Stearns
Purdue University—Lafayette, Indiana 7

The Influence of Light and Temperature on Germination and Flowering of Five Species of *Plantago*
Forrest W. Stearns
Purdue University—Lafayette, Indiana 8

Thio-Esters of N-Substituted Dithio-carbamic Acid as Selective Herbicides.
Philip C. Hamm, John J. D'Amico, and Marion W. Harman 8

The Effect of Potassium N-1-Naphthylphthalamate on the Geotropic Response and Growth of Corn, Pea and Oat Seedlings
Ching, Te May Tsou, Robert H. Hamilton, Robert S. Bandurski, Buford H. Grigsby, and G. B. Wilson
Michigan State University—East Lansing, Michigan 9

Absorption and Translocation of Radio-Active 2,4-D in Certain Weed Species
M. C. Williams, F. W. Slife, and J. B. Hanson
University of Illinois—Urbana, Ilinois 10

Section II. County Regulatory Meeting — **Chairman: John R. Reid**

How to Bring About a Better and More Uniform Enforcement of the Weed Laws
Charles J. Gilbert
South Dakota State Weed Board—College Station, South Dakota 11

Section II Continued. Regulatory and Extension — **Chairman: C. J. Gilbert**

Canadian Seed Grain Surveys
T. V. Beck
Department of Agriculture—Regina, Saskatchewan, Canada 13

Bruce J. Rogers and Forrest W. Stearns
Purdue University—Lafayette, Indiana 7

The Influence of Light and Temperature on Germination and Flowering of Five Species of *Plantago*
Forrest W. Stearns
Purdue University—Lafayette, Indiana 8

Thio-Esters of N-Substituted Dithio-carbamic Acid as Selective Herbicides.
Philip C. Hamm, John J. D'Amico, and Marion W. Harman 8

The Effect of Potassium N-1-Naphthylphthalamate on the Geotropic Response and Growth of Corn, Pea and Oat Seedlings
Ching, Te May Tsou, Robert H. Hamilton, Robert S. Bandurski, Buford H. Grigsby, and G. B. Wilson
Michigan State University—East Lansing, Michigan 9

Absorption and Translocation of Radio-Active 2,4-D in Certain Weed Species
M. C. Williams, F. W. Slife, and J. B. Hanson
University of Illinois—Urbana, Ilinois 10

Section II. County Regulatory Meeting — **Chairman: John R. Reid**

How to Bring About a Better and More Uniform Enforcement of the Weed Laws
Charles J. Gilbert
South Dakota State Weed Board—College Station, South Dakota 11

Section II Continued. Regulatory and Extension — **Chairman: C. J. Gilbert**

Canadian Seed Grain Surveys
T. V. Beck
Department of Agriculture—Regina, Saskatchewan, Canada 13

XUM

State Weed Laws in Action
Vernon W. Woestemeyer
Department of Agriculture—Topeka, Kansas 14

Teaching Aids
Keith Wallace
South Dakota State College—College Station, South Dakota 16

What County Agents Expect
Walter E. Spilker
University of Nebraska—Lincoln, Nebraska 17

Section III. Engineering Developments and Agricultural Aviation **Chairman: Russell E. Larson**

Report of Studies of a Metering Device and Venturi Type Distributor for Agricultural Aircraft
James E. Henry
Ohio State University—Columbus, Ohio 19

Installation and performance of a Hydraulic Drive in a Piper PA-18A
Neal E. Shafer
University of Nebraska—Lincoln, Nebraska 19

Effect of Pesticides on Spray Equipment
Donald T. Black
Agricultural Engineering Research Branch A.R.S., U.S.D.A., Toledo, Ohio 21

Laboratory Apparatus for Studying the Design and Performance of the Rotary Hoe
Louis A. Liljedahl and John Strait
Division of Farm Machinery U.S.D.A.
University of Minnesota—St. Paul, Minnesota 22

Tuesday Evening

Banquet—Ball Room—Hotel Fontenelle

Toastmaster—George Round, Director of Public Relations, University of Nebraska—Lincoln, Nebraska

Banquet Speaker—Mr. Dave Livingston, America's Funniest Farmer—Washington, Iowa—"Let Us Spray"

Directors Meeting—West Room—Hotel Fontenelle

Wednesday, December 7, 1955

Section I. Weed Control in Field Crops **Chairman: L. H. Shebeski**

The Effect of Several Chemicals Applied in the Fall For the Control of Wild Oats
George Friesen
University of Manitoba—Winnipeg, Manitoba, Canada 22

MCP vs. 2,4-D for the Control of Weeds in Grain Crops
H. A. Friesen
Department of Agriculture, Experiment Station—Lacombe, Alberta, Canada 23

The Effect of Isooctyl Ester of 2,4-D on Eight Varieties of Oats
Paul F. Sand and Neal E. Shafer
University of Nebraska—Lincoln, Nebraska 24

The Effect of Wild Mustard Removal by MCP or 2,4-D at Various Stages of Growth of Wheat, Oats or Barley
L. H. Shebeski
University of Manitoba—Winnipeg, Manitoba, Canada 25

Laboratory and Field Studies With Several A-Chloroacetamides and Chlorallyl Dithiocarbamates on Corn and Soybeans
Fred W. Slife
University of Illinois—Urbana, Illinois 26

Control of Certain Annual Grass Weeds in Corn
David W. Staniforth
Iowa State College—Ames, Iowa 27

Control of Hairy Chess, *Bromus commutatus,* Schrad, in a Warm Season Pasture
M. K. McCarty and Paul F. Sand
Weed Investigations Section, U.S.D.A.—Lincoln, Nebraska
University of Nebraska—Lincoln, Nebraska 28

An Appraisal of Chemical Weed Control in Field Crops
H. E. Wood
Manitoba Department of Agriculture—Winnipeg, Manitoba, Canada 29

Retention of High Rates of 2,4-D in the Soil
Henry R. Keyser
University of Nebraska—North Platte, Nebraska 30

XUM

Field Experiences in 1955 with Defoliating Chemicals as an Aid to Harvesting Dry Edible Beans
Leslie R. Reed
Chipman Chemical Company—Bound Brook, New Jersey 32

Section I. Continued—Perennial Weed Control **Chairman: W. M. Phillips**

Response of Canada Thistle *Cirsium arvense* to Amino Triazole
Oliver C. Lee
Purdue University—Lafayette, Indiana 35

Controlling Canada Thistle With Late Fall Treatments of Herbicides
G. F. Ham, D. D. Bondarenko, and C. J. Willard
Ohio State University—Columbus, Ohio 36

Amino-Triazole in Controlling Perennial Weeds
Thomas K. Pavlychenko
American Chemical Paint Company—Saskatoon, Saskatchewan, Canada 37

Chemical Control of Texas Blueweed
A. F. Wiese and H. A. Rea
Texas Agricultural Experiment Station—Bushland, Texas 39

Chemical Control of Johnson Grass
L. E. Anderson
Kansas State College—Manhattan, Kansas 39

The Influence of Nitrogen Fertilization on the Control of Quackgrass With Herbicides
W. H. Zick and K. P. Buchholtz
University of Wisconsin—Madison, Wisconsin 40

Competition, Cultivation, and Chemicals to Eliminate Leafy Spurge
Lyle D. Derscheid, Keith E. Wallace and Russell L. Nash
South Dakota State College—College Station, South Dakota 42

Effect of Soil Sterilants on the Wind Erodibility of Pullman Silty Clay Loam
A. F. Wiese and H. E. Rea
Texas Agricultural Experiment Station—Bushland, Texas 44

Section II. Horticultural Crops **Chairman: E. T. Anderson**

Pre-Emergence Herbicide Treatments on Lima Beans, Snap Beans, and Sweet Corn
C. C. Singletary and J. W. Herron
Kentucky Agricultural Experiment Station—Lexington, Kentucky 45

Growth of Cucumbers, Corn, Field and Snap Beans Following Chemical Sprays for Control of Quackgrass
B. H. Grigsby, S. K. Ries, B. R. Churchill and R. H. Hamilton
Michigan State University—East Lansing, Michigan 46

Some New Possibilities for Weed Control in Carrots
G. F. Warren
Purdue University—Lafayette, Indiana 47

Pre-Emergene Weed Control in Potatoes in Mexico's High Mountain Valleys
Lowell S. Gleason, Jorge Nieto, and Julian Ramirez
Rockefeller Foundation—Mexico City, Mexico 47

Weed Control Around Newly Transplanted Apple Trees
Delbert D. Hemphill
University of Missouri—Columbia, Missouri 49

Weed Control in Strawberries
J. W. Herron and C. E. Chaplin
Kentucky Agricultural Experiment Station—Lexington, Kentucky 49

Weed Control in Wisconsin Cranberry Marshes
Malcolm N. Dana
University of Wisconsin—Madison, Wisconsin 50

Chemical Growth Suppression of Nursery Companion Crops
L. C. Chadwick and W. D. Chambers
Ohio State University—Columbus, Ohio 51

Mixtures of Herbicides for Nursery Weed Control
LeRoy G. Holm and Ray Taylorson
University of Wisconsin—Madison, Wisconsin 51

Tolerances of Certain Nursery Stock to CMU and SES
L. C. Chadwick and P. A. Barker
Ohio Agricultural Experiment Station—Wooster, Ohio 52

Chemical Weed Control in a *Taxus* Nursery
L. C. Chadwick, P. A. Barker, and W. D. Chambers
Ohio Agricultural Experiment Station—Wooster, Ohio 52

XUM

Chemical Control of Crabgrass in Lawns, Golf Greens, and Other Turfgrass Areas
H. L. Lantz
Iowa State College—Ames, Iowa 53

Studies on the Control of Crabgrass in Bluegrass Lawns
R. E. Nylund and Richard Stadtherr
University of Minnesota—St. Paul, Minnesota 53

Weed Control in Transplanted Tomatoes
G. F. Warren
Purdue University—Lafayette, Indiana 55

The Post-Emergence Application of Herbicides to Tomatoes at Different Times and Locations
S. K. Ries and B. H. Grigsby
Michigan State University—East Lansing, Michigan 55

Elimination of Vegetation With TCA and Dalapon
L. C. Chadwick and W. D. Chambers
Ohio Agricultural Experiment Station—Wooster, Ohio 57

Effects of 2,4-D on Concord Grape
Earl W. Scholz, W. E. Loomis, and H. L. Lantz
Iowa State College—Ames, Iowa 57

Soil Sterilization With Vapam and Sodium Chlorate
L. C. Chadwich, P. A. Barker and W. D. Chambers
Ohio State University—Columbus, Ohio 57

Section III. Woody Plant Control and Control of Vegetation on Non-Agricultural Land Chairman: L. L. Coulter

Wildlife Habitat Development With Herbicides in Michigan
B. C. Jenkins
Michigan Department of Conservation—Lansing, Michigan 58

Control of Undesirable Plants in Waterfowl Projects
R. A. MacMullan and E. M. Harger
Michigan Department of Conservation—Lansing, Michigan 58

Some Biological, Technical, and Administrative Aspects of Aquatic Weed Control in Minnesota
Edward J. Longtin
Minnesota Department of Conservation—St. Paul, Minnesota 59

Further Studies on the Use of Dalapon for the Control of Cattail
B. H. Grigsby, C. A. Reimer, and W. A. Cutler
Michigan State University, The Dow Chemical Company, and Michigan State University, respectively 60

Chemical Weed Control on Ohio's Highways
W. J. Garmhausen
Ohio Department of Highways—Columbus, Ohio 61

Performance of Erbon for Extended Vegetation Control in the North Central States
R. L. Warden and J. H. Davidson
Dow Chemical Company—Midland, Michigan 62

Effect of Cutting and Herbicidal Treatment on Control of Oak Sprouts
Harry M. Elwell and Maurice B. Cox
Field Crops Research Branch A.R.S., U.S.D.A., Guthrie, Oklahoma 63

Data on the Use of the Handgun for Basal Applications for Brush Control
Russel E. Larson
Agricultural Engineering Research Branch A.R.S., U.S.D.A., Columbia, Missouri 63

Thursday Morning, December 8, 1955

Farmers' Day Program **Chairman: Mal Hanson**

Are We Getting the Job Done in Weed Control
Charles J. Gilbert
South Dakota State Weed Board—College Station, South Dakota 64

How We Control Weeds on the Farm—Panel Discussion 66
Moderator, John Furrer
Lyle Derscheid—Agronomy Department—South Dakota State College, College Station, South Dakota
Howard Wahlgren—Elk City, Nebraska
Ray Beerman—Dakota City, Nebraska
W. L. Reichelt—Dunlap, Iowa

The Farmer's Chemical Kit For Weed Control
E. P. Sylwester
Iowa State College—Extension Service—Ames, Iowa 67

XUM

Thursday Afternoon, December 8, 1955

Farmers' Day Program — **Chairman: Bill MacDonald**

Are You Killing Your Bindweed? Why Not?
W. M. Phillips
Field Crops Research Branch A.R.S., U.S.D.A., Fort Hays Experiment Station—Hays, Kansas 70

What Is the Future in Weed Control?
L. M. Stahler
Agricultural Research and Development Division, Pacific Coast Borax Company—Los Angeles, Calif. 73

Weed and Brush Control in Pastures
M. K. McCarty
Field Crops Research Branch, A.R.S., U.S.D.A., University of Nebraska—Lincoln, Nebraska 74

Recommendations of Research Committee N.C.W.C.C. 77

Recommendations of the Committee on Terminology 90

1955 Weed Essay Contest Winner 91

Resolutions 92

Presentation of Awards 94

Registration List 95

List of Member Commercial Organizations as of November 16, 1955 105

List of Exhibitors 106
